Once again, the RICA Association is partnering with the Kiwanis Club of Wheaton–Silver Spring to host the **FORE THE CHILDREN** Golf Tournament.

The John L. Gildner Regional Institute for Children and Adolescents (JLG-RICA) is a community-based, public treatment, educational and residential facility serving boys and girls, grades 5-12, with emotional disturbances. The RICA Association is a non-profit 501(c)(3) organization that works with the community to fund projects and programs for JLG-RICA students.

The Kiwanis Club of Wheaton-Silver Spring has been actively helping the community for more than 50 years with many "hands on projects" and through support of local high schools and Key Clubs. Kiwanis commitment is legendary and the Wheaton-Silver Spring Club's goal is to continue to service the community in an effective and responsible way.
