Obituary

Ms. Catherine Gelzhiser died suddenly on 6/21/07. Ms. Gelzhiser was originally licensed in Maryland on June 19, 1975, and remained active for the past 32 years. Down through the years, she worked diligently and efficiently as a full-time nursing home administrator, and also came to the aide of many nursing home owners by functioning as an interim administrator.

The nursing home administration profession will miss this very exceptional lady.

Annual Report

Attached is the FY2007 Annual Report for the State Board of Examiners of Nursing Home Administrators. The report highlights our activities and progress for the period of July 1, 2006 to June 30, 2007. The Board has experienced a number of exciting accomplishments over this last fiscal year, and is looking forward to the work ahead.

This past year, the Board received a deficiency free legislative audit conducted by the Department of Legislative Services. We had a summer study work group to examine the current standards for licensure of nursing home administrators pursuant to House Bill 690 of the 2006 legislative session. We have increased the public's awareness of the Board's goals and mission by updating our website, and disseminating newsletters to all licensees.

Please review the attached document, and contact the Board's office with any questions or comments at (410) 764-4750.
