**ORDER OF SUSPENSION OF LICENSE
 FOR DELINQUENT CHILD SUPPORT**

BACKGROUND

On or about September 7, 2016, the Maryland Board of Dental Examiners (the “Board”) received two written requests from the St. Mary’s County Office of Child Support Enforcement (the “Administration”) to suspend the dental radiation technologist license held by Rebecca H. Grooms-Wills (the “Respondent”), License No. 19567, for delinquent child support. This action was to be taken by authority of Md. Code Ann., Fam. Law § 10-119.3 (2012 Repl. Vol.), which provides, in pertinent part:

(e)(2) Except as provided in paragraph (3) of this subsection, upon notification by the Administration under this section, a licensing authority¹ shall:

- (i) suspend an individual’s license; or
- (ii) deny the license of an individual who is an applicant for a license from the licensing authority.

(h) *Right to contest identity.* – (1) Except as provided in paragraph (2) of this subsection, prior to the suspension or denial of a license under subsection (e) of this section, a licensing authority shall send written notice of the proposed action to the individual whose license is subject to suspension or denial, including notice of an individual’s right to

¹ The Maryland Board of Dental Examiners is a unit within the Maryland Department of Health and Mental Hygiene, Md. Code Ann., Health-Gen. §§ 2-101 & 2-106(a)(18), and is therefore a “licensing authority” within the meaning of Md. Code Ann., Fam. Law § 10-119.3(a)(3)(i) and (ii)(2).

contest the identity of the individual whose license or application is to be suspended or denied.

(i) *Appeal; hearing.* –(1)(i) Except as provided in paragraph (2) of this subsection, an individual may appeal a decision of a licensing authority to suspend or deny the individual’s license in accordance with Title 10, Subtitle 2 of the State Government Article.

(ii) At a hearing under this paragraph, the issue shall be limited to whether the Administration has mistaken the identity of the individual whose license has been suspended or denied.

(k) *Reinstatement of license—Duty of licensing authority.* – A licensing authority shall immediately reinstate any license suspended, or process an application for any license denied, under this section if:

- (1) notified by the Administration that the license should be reinstated;
- and
- (2) the individual otherwise qualifies for the license.

On September 12, 2016, the Board sent an unexecuted copy of this Order of Suspension to the Respondent. Accompanying the unexecuted Order of Suspension was a cover letter notifying the Respondent of her right to contest her identity in writing within thirty days of the date of the letter and notifying the Respondent that if she did not submit a signed, written appeal to the Board on or before October 13, 2016, the Board would execute this Order of Suspension as written.

FINDINGS OF FACT

1. The Board issued a radiation technologist license to the Respondent and her license is currently active and is scheduled to expire on March 1, 2017.

2. On or about September 7, 2016, the Board received two written requests from the Administration, entitled “Request to Suspend or Deny License for Delinquent Child Support” (the “Request”), requesting that the Board suspend the dental radiation technologist license held by the Respondent for delinquent child support under the authority of Md. Code Ann., Fam. Law § 10-

119.3. The Request stated that, as of September 1, 2016, the arrearage amount of child support that the Respondent owed was \$247.10 in the Administration's case numbered 460141178 and \$988.28 in the case numbered 730141048.

3. As noted above, Md. Code Ann., Fam. Law § 10-119.3(e)(2) & (h)(1) requires that the Board suspend the license of the Respondent upon notification by the Administration and after sending written notice to the Respondent of the proposed suspension of her license and of her right "to contest the identity of the individual whose license is to be suspended."

4. On September 12, 2016, the Board sent an unexecuted copy of this Order of Suspension to the Respondent's last known address registered with the Board. Included with the unexecuted Order of Suspension was a letter notifying Respondent of her right to contest her identity, in writing to the Board, within thirty days of the date of the letter; that is, to contest that she was not the Rebecca H. Grooms-Wills, License No. 19567, named by the Administration as the individual whose license should be suspended for delinquent child support. In addition, the letter also gave Respondent written notice that if she did not submit to the Board a signed, written appeal on or before October 13, 2016, the Board would execute this Order of Suspension as written.²

5. The Respondent did not submit a written contest of identity to the Board by October 13, 2016; nor was the Board notified that the Respondent arranged to pay the arrears in full.

6. Having given the Respondent the statutorily required written notice of the Board's intent to suspend her license and of her right to contest identity pursuant to Md. Code Ann., Fam. Law § 10-119.3(h)(1), and having not received a written response or appeal from the Respondent, the Board is statutorily required to suspend the Respondent's license, pursuant to Md. Code Ann., Fam. Law § 10-119.3(e)(2).

² The letter also notified the Respondent that she could prevent the suspension of her license by contacting the Administration and arranging to pay the arrears in full within 15 days of the date of the letter.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes that, pursuant to Md. Code Ann., Fam. Law § 10-119.3(e)(2)(i), it is statutorily required to suspend the Respondent's dental radiation technologist license until the Board receives notification from the Administration that the Respondent's license should be reinstated pursuant to Md. Code Ann., Fam. Law § 10-119.3(k)(1)-(2), provided that the Respondent is otherwise qualified for licensure.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, on this 20th day of October, 2016, by a quorum of the Maryland Board of Dental Examiners, it is hereby:

ORDERED that the license to practice as a radiation technologist held by the Respondent, Rebecca H. Grooms-Wills, License No.19567, is **SUSPENDED**; and it is further,

ORDERED that the Respondent's license shall remain suspended until the Board receives notification from the Child Support Enforcement Administration of the Department of Human Resources that the Respondent's license should be reinstated pursuant to Md. Code Ann., Fam. Law § 10-119.3(k)(1)-(2), provided that the Respondent is otherwise qualified for licensure; and it is further,

ORDERED that this is a Final Order of the Maryland Board of Dental Examiners and, as such, is a **PUBLIC** document pursuant to Md. Code Ann., Gen. Prov., § 4-333.

Ronald F. Moser, D.D.S.
President
Maryland Board of Dental Examiners

NOTICE OF APPEAL RIGHTS

The Respondent has a right to appeal this Final Order of the Board pursuant to Fam. Law § 10-119.3(i), which provides as follows:

(i) *Appeal; hearing.*—(1)(i) Except as provided in paragraph (2) of this subsection, an individual may appeal a decision of a licensing authority to suspend or deny the individual's license in accordance with Title 10, Subtitle 2 of the State Government Article.

(ii) At a hearing under this paragraph, the issue shall be limited to whether the Administration has mistaken the identity of the individual whose license has been suspended or denied.
