Health Reform/Healthy Business Forum

February 13, 2013
10:30 AM to 2:30 PM

Martin's West
6817 Dogwood Road, Baltimore, MD 21244
Martin's West Phone: (410) 944-9433

In today's healthcare environment, small businesses worry about two things:

1. How will Health Reform affect my business?
Join us to hear how health reform will impact your company! What are the deadlines? How will Health Insurance Exchanges affect your company? What will tax credits mean to you?
2. How can I improve my company's profitability?
Healthy employees miss less work, and they are more productive while they are at work. Hear from companies that are creating healthier employees and reaping the rewards! Learn about resources that are free and easy to use!

Join us on February 13th, and hear from the experts!

Who should attend? Company Reps from:

Owners • Human Resources • Finance • Benefits • Health Champions

Topics

- Health Reform: What does it really mean to you?
- Why Worksite Health Promotion? What are some challenges and benefits? Best Practices: Hear from local leaders executing successful worksite wellness initiatives.
- FREE RESOURCES! Learn about resources that can help you plan and implement programs to create healthier employees!
- Ask questions, share challenges, and hear solutions.

FREE! Seating is limited. Please no more than two per company.
