The screenshot shows the STARLIMS v10 web application interface. The main window is titled "Test Order" and contains the following elements:

- Metadata Type:** A dropdown menu set to "Human".
- Quantity:** A text input field containing the number "1".
- Available Panels:** A list of test panels with navigation arrows. The panel "Chlamydia and Gonorrhea nucleic acid amplification" is highlighted in blue.
- Buttons:** "OK" and "Cancel" buttons are located at the bottom of the panel list.

A callout box on the right side of the screen contains the following text:

NEW
