

Minority Outreach & Technical Assistance (MOTA)

Inner County Outreach – Harford County

Nathaniel T. Johnson, President
529 Edmund Street
Aberdeen, MD 21001
(410) 272-3278 Email: candaceajohnson@innercountyyouthreach.org

Inner County Outreach (ICO) is a faith-based community organization that has been providing programs and services to the residents of Harford County since 1986. With the aid of MOTA funding ICO has implemented health related programs in the African American, Native American, Hispanic and Asian communities.

During the upcoming year ICO plans to provide technical assistance and training to minority groups to increase their capacity and host several events/health forums to provide information on health disparities.

For more information about Inner County Outreach and the MOTA program in Harford County, contact Candace Johnson, MOTA Program Manager at (410) 272-3278.
