TENTATIVE AGENDA

I. Call to Order and Introductions

II. Discussion: Quality Standards

- False Advertising
- Operating without a License
- Transfer between Licensed Assisted Living Providers
- Mandatory Participation of Residents in AMDC
- Drop-In Services (e.g., AMDC)

III. Panel Discussion: On-Site Nursing

The panel will explore the following: What is the role of the delegating nurse? What are the Board of Nursing's requirements for Delegating Nurses? How the standards of nursing practice impact assisted living providers? Why is additional nursing needed in assisted living? What is the goal of requiring additional nursing presence?

IV. Next Steps:

- Next Meeting of the ALF: Tuesday, October 18, 2005, at 10:00 AM, location to be determined. Please mark your calendars accordingly; this is a new meeting date.
- 2005 Assisted Living Evaluation Report: The Department will begin to write the 2005 Evaluation Report after the conclusion of the 2005 ALF. The report will include recommendations, as have the other reports issued by the Department. The Department will not pursue assisted living legislation during the 2006 General Assembly Session.

VI. Adjourn
