If you are interested in attending either of these sessions, please complete the appropriate online registration form at the OHCQ website: <http://dhmh.maryland.gov/ohcq/AMDC/sitePages/Training.aspx>.

For those who are registering for the refresher training sessions, please submit any questions or issues you would specifically like to have addressed with your registration form. Everyone must register in advance as seating for all sessions are limited to 30 participants per session.

Thank you for your continued service.
