License No. 10815

ORDER TERMINATING PROBATION AND REINSTATING PHARMACIST LICENSE

By Order dated September 16, 1993, ("the 1993 Order"), the Maryland Board of Pharmacy (the "Board") found Michael P. Hiotis, P.D. (the "Respondent") guilty of violating Section 12-313(b)(6), (14), and (21) of the Health Occupations Article. The Board ordered that Respondent's license to practice pharmacy in the State of Maryland be **SUSPENDED**. The suspension was stayed and Respondent was placed on probation subject to certain conditions (the "Conditions of Probation").

By letter received January 5, 1995, Respondent petitioned the Board for reinstatement of his license to practice pharmacy in Maryland without any condition or restriction. At its meeting of February 15, 1995, the Board determined the steps for Respondent to follow for his license to be reinstated. Based on its review of that petition and the reports submitted to the Board, the Board determined that Respondent had satisfactorily fulfilled all of the Conditions contained in the 1993 Order.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions imposed by its 1993 Order.

CONCLUSION OF LAW

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions on his license and to reinstate his pharmacist license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusions of Law, it is this 29th day of February, 1995 by unanimous vote of a quorum of the Board

ORDERED that effective as of the date of this Order, the Conditions imposed on Respondent's practice of pharmacy by the Board's 1995 Order are hereby TERMINATED and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State of Maryland be REINSTATED without any condition or restriction whatsoever.
