FINAL CONSENT ORDER

Based on information received and a subsequent investigation by the State Board of Pharmacy (the "Board"), and subject to Md. Health Occ. Ann. § 12-101, et seq., (2009 Repl. Vol.) (the "Act"), the Board charged Hope For All Pharmacy and Stores, Inc., (the "Respondent-Pharmacy"), with violations of the Act. Specifically, the Board charged the Respondent-Pharmacy with violation of the following provisions of § 12-409:

(a) Subject to the hearing provisions of § 12-411 of this subtitle, the Board may suspend or revoke any pharmacy permit, if the pharmacy:

- (1) Is conducted so as to endanger the public health or safety;
- (2) Violates any of the standards specified in § 12-403 of this subtitle; or
- (3) Otherwise is not conducted in accordance with the law.

§ 12-411 Required standards

When he entered the establishment he found Charles Ebong with a white jacket on, with the name "Pharmacist" printed on the garment. The Inspector asked Mr. Ebong if he was a pharmacist, to which Mr. Ebong replied that he was not; that he was a technician; and, the pharmacist would return later. The Inspector asked Mr. Ebong to contact Pharmacist A, and the Inspector spoke with her after identifying himself. Pharmacist A stated that she would be there in 10 minutes. However, it took Pharmacist A 28 minutes to arrive, at which time the Inspector told her about the correct procedure for having the pharmacy open without a pharmacist present.

5. On July 8, 2009, a Division of Drug Control (DDC) Inspector arrived at 8:57 a.m. to do a Controlled Dangerous Substance (CDS) inspection⁴ and noted that the pharmacist was not on the premises. A female employee was in the store. Pharmacist A arrived at the pharmacy at 10:59 a.m., a full hour after the DDC Inspector arrived and the pharmacy had been left unattended, with the back door unlocked.⁵

⁴ The Board inspector did not conduct a CDS inspection on the 23rd.

⁵ By letter dated July 28, 2009, the Pharmacist A's attorney complained to the Secretary of the Department of Health and Mental Hygiene, John Colmers, about the number of inspections, deeming them "harassment". By letter dated August 17, 2009 the Secretary responded, listing the many types of
