Dear Members of the Board:

Please accept this letter as my petition for the modification of my Consent Order. As stipulated in my Consent Order August 10, 2010 I may request lifting the suspension of my license on November 1, 2010. I have continued with the PEAC program and have been complying with the PEAC treatment contract since voluntarily signing on November 9, 2009 .

I have met the conditions of my Consent Order attending the substance abuse program at Kolmac Clinic, attending three AA meetings weekly, and all urine testing have been with negative results. I have also reported for a psychological assessment with Dr. Ralph Raphael, PhD. which was a requirement of my Consent Order. I would like to add that I have over 1 year of sobriety.

My recovery has become the most important part of my life. I believe with the accomplishments I have made in my recovery I am ready to fully participate in the pharmacy setting and would like the opportunity to do so.

Sincerely,

Lisa White, R.Ph.
