MANUFACTURERS/DISTRIBUTORS**

~~~~~

Wholesale Distributor applicants who submitted sufficiently complete applications, fees and required attachments to the Board, postmarked on or before 11:59 p.m. on May 17, 2015, may continue operating under their existing permit after May 31, 2015, while the Board processes the renewal application.

**Please do not contact the Maryland Board of Pharmacy regarding the status of a wholesale distributor application received at the Board postmarked on or before May 17, 2015.** The Board and its staff members are making every effort to process all wholesale distributor renewal applications before they expire on May 31, 2015. To track the status of a wholesale distributor renewal application, please check the *Verification Link* on the Board's web site at:
