A Guide for You

**Maryland Medical Assistance
Family Planning Program**

Who is eligible?

The Maryland Medical Assistance Family Planning Program is for women who are:

- At or below 200% Federal Poverty Level
- Maryland residents
- US citizens/qualified aliens
- Up to 51 years of age

Note: Pregnant women and women who have obtained a sterilization are not eligible.

What services are covered?

The Family Planning Program covers family planning services only. Services included in visits to the doctor or clinic for birth control are:

- Physical exams, including pelvic and breast exam
- Screenings, such as pap smears and sexually transmitted infections as part of an annual visit
- Advice about birth control methods
- Birth control pills and devices (IUD, implant, shot, patch, ring, and condoms)
- Permanent sterilization (must be age 21 or over)

Note: Abortion and infertility treatments are not covered.

Where can I get services?

Women in the Family Planning Program can see any provider who accepts the purple and white Medical Assistance card. Check with your primary care provider or Federally Qualified Health Center to see if they participate. Services may also be provided by your Local Health Department or Planned Parenthood. See back of brochure for contact information for local health departments and Planned Parenthood.

How do I apply?

- Call 1-855-692-4993 to have an application mailed to you or print an application at:
<http://mmcp.dhmh.maryland.gov/familyplanning/SitePages/application.aspx>
- Mail or fax the application to the Maryland Department of Health & Mental Hygiene as described on the application.
- Women who are enrolled in another Maryland Medical Assistance Program already have family planning benefits. They should contact their primary care provider, Local Health Department, or Planned Parenthood to access benefits.
- Women who are pregnant should contact their local health department to apply for Maryland Children's Health Program (MCHP). See back of brochure for contact information for local health departments.
