This Agreement (the "Agreement"), entered into between the Maryland State Department of Health and Mental Hygiene (the "Department") and

_____

(Provider Name)

the undersigned Provider or Provider Group and its members or Practitioner(s) (hereinafter called the "Provider"), is made pursuant to Title XIX and Title XXI of the Social Security Act, Health-General, Title 15, Annotated Code of Maryland and state regulations promulgated thereunder to provide medical, healthcare, and home- and community-based services and/or remedial care and services ("Service(s)") to eligible Maryland Medical Assistance recipients ("Recipient(s)"). On its effective date, this Agreement supersedes and replaces any existing contracts between the parties related to the provision of Services to Recipients.

I. THE PROVIDER AGREES:

A. To comply with all standards of practice, professional standards and levels of Service as set forth in all applicable federal and state laws, statues, rules and regulations, as well as all administrative policies, procedures, transmittals, and guidelines issued by the Department, including but not limited to, verifying Recipient eligibility, obtaining prior authorizations, submitting accurate, complete and timely claims, and conducting business in such a way the Recipient retains freedom of choice of providers. The Provider acknowledges his, her or its responsibility to become familiar with those requirements as they may differ significantly from those of other third party payor programs;

B. To maintain adequate medical, financial and administrative records that fully justify and describe the nature and extent of all goods and Services provided to Recipients for a minimum of six years from the date of payment or longer if required by law. The Provider agrees to provide access upon request to its business or facility and all related Recipient information and records, including claims records, to the Department, the Medicaid Fraud Control Unit (MFCU) of the Maryland Attorney General's Office, the U.S. Department of Health and Human Services, and/or any of their respective employees, designees or authorized representatives. This requirement does not proscribe record requirements by other laws, regulations, or agreements. It is the Provider's responsibility to obtain any Recipient consent required to provide the Department, its designee, the MFCU, federal employees, and/or designees or authorized representatives with requested information and records or copies of records. Failure to timely submit or failure to retain adequate documentation for services billed to the Department may result in recovery of payments for Services not adequately documented, and may result in the termination or suspension of the Provider from participation as a Medical Assistance provider.

1. Original records must be made available upon request during on-site visits by Department personnel or personnel of the Department's designee.

2. Copies of records must be timely forwarded to the Department upon written request;

C. To protect the confidentiality of all Recipient information in accordance with the terms, conditions and requirements of the health Insurance Portability and Accountability Act (HIPAA) of 1996, as amended, and regulations adopted thereunder contained in 45 CFR 160, 162 and 164, and the Maryland Confidentiality of Medical Records Act (Md. Ann. Code, Health-General §§4-301 *et seq*.);

D. To provide services on a non-discriminatory basis and to hold harmless, indemnify and defend the Department from all negligent or intentionally detrimental acts of the Provider, its agents and employees. The Provider will not discriminate on the basis of race, color, national origin, age, religion, sex, disabilities, or sexual orientation;

E. To provide Services in compliance with the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and their respective accompanying regulations, and ensure that qualified individuals with disabilities are given an opportunity to participate in and benefit from its Services, including providing interpretive services for the deaf and hard of hearing when required;

F. To check the Federal List of Excluded Individuals/Entities on the Health and Human Services (HHS) Office of Inspector General (OIG) website prior to hiring or contracting with individuals or entities and periodically check the OIG website to determine the participation/exclusion status of current employees and contractors. The Provider further agrees to not knowingly employ, or contract with a person, partnership, company, corporation or any other entity or individual that has been disqualified from providing or supplying services to Medical Assistance Recipients unless the Provider receives prior written approval from the Department;

G. To accept the Department's payments as payment in full for covered Services rendered to a Recipient. The Provider agrees not to bill, retain, or accept any additional payment from any Recipient. If the Department denies payment or requests payment from the Recipient, or if the Department denies payment or requests repayment because an otherwise covered Service was not medically necessary or was not preauthorized (if required), the Provider agrees not to seek payment from the Recipient for that Service. The Provider further agrees to immediately repay the Department in full for any claims where the Provider received payment from another party after being paid by the Department;

H. With the exception of prenatal care or preventive pediatric care, to seek payment from a Recipient's other insurances and resources of payment before submitting claims to the Department, which includes but is not limited to seeking payment from Medicare, private insurance, medical benefits provided by employers and unions, worker compensation, and any other third party insurance. If payment is made by both the Department and the Recipient's other insurance, the Provider shall refund the Department, within 60 days of receipt, the amount paid by the Department;

The Provider acknowledges that the submission of false or fraudulent claims could result in criminal prosecution and civil and administrative sanctions. This may include his, her or its expulsion from the Maryland Medical Assistance Program and/or referrals by the Department to the HHS OIG for expulsion from the Medicare program;

K. That if Provider is a physician, he or she will, upon request, submit the name and applicable licensure for each physician extender in his or her employment.
