

**Maryland Medicaid Advisory Committee Monthly Waiver Reports
April 2024**

AMENDMENTS	PURPOSE	COMMENTS
1915(c) Waiver Programs		
Waiver for Adults with Brain Injury	The purpose of the amendment is to: 1. Revise FY22 and FY23 estimates to accurately reflect cost neutrality	The amendment was approved by CMS on 04/03/2024.

1915(c) WAIVER NAME	RENEWAL STATUS
Waiver for Children with Autism Spectrum Disorder	The currently approved Waiver application ends on 06/30/2024. As such, the Maryland State Department of Education (MSDE) in collaboration with the Maryland Department of Health (MDH) drafted the renewal application for CMS' consideration. Public comment ended on 03/28/2024, and the renewal application has been submitted to CMS for review on 04/03/2024.

1915(c) WAIVER NAME	372 ¹ Due Date	372 SUBMITTED	372 APPROVED BY CMS
Community Pathways Waiver	12/31/2023	1/11/2024	The 372 is under review with CMS.
Family Supports Waiver	12/31/2023	1/11/2024	The 372 is under review with CMS.
Community Supports Waiver	12/31/2023	1/11/2024	The 372 is under review with CMS.
1915(c) WAIVER NAME	EBR ² Due	EBR SUBMITTED	EBR APPROVED BY CMS
None at this time.			

¹ [The CMS 372 report summarizes data about section 1915\(c\) waiver programs submitted by states. This report identifies the number of people who received home and community-based waiver program services, and Medicaid expenditures.](#)

² [For each 1915\(c\) Medicaid waiver program, an evidentiary-based report \(EBR\) on all performance measures is required by CMS approximately 18 months prior to the waiver renewal date. This report includes the remediation taken for each systemic and individual instance when a performance measure has less than 100% compliance.](#)
