RE Petition for Reinstatement # 09173

Dear Mr Riley,

The Disciplinary Committee reviewed your petition for reinstatement of your Maryland Pharmacist license. The Committee reviewed your file and determined that you have been compliant with your PEAC contract during your probationary period and have submitted the necessary documentation.

The Board at its meeting on December 21, 2005, voted to lift your probation and place your license on active status effective December 21, 2005. A new license indicating "active status" will be mailed shortly by the licensing section. Please feel free to call me at the Board office (410-764-5906) if you have any questions or concerns regarding this issue.

Sincerely,

Chandra K. Mouli
