ORDER TERMINATING PROBATION AND  
REINSTATING PHARMACIST LICENSE

By Order dated February 1, 1994 ("the 1994 Order"), the Maryland Board of Pharmacy (the "Board") found Simon Saller, P.D. (the "Respondent") guilty of violating Section 12-313(b)(14) and (15) of the Health Occupations Article. The Board ordered that Respondent's license to practice pharmacy in the State of Maryland be REINSTATED and be it further ordered that the license of Respondent to practice pharmacy be SUSPENDED. The suspension was stayed and Respondent was placed on probation subject to certain conditions (the "Conditions of Probation").

By letter received March 15, 1996, Respondent petitioned the Board for reinstatement of his license to practice pharmacy in Maryland without any condition or restriction. At its meeting of April 23, 1996, the Board discussed with the Respondent the violations which led to the action against his license and the progress he made while on probation. Based on this discussion and the Board's review of the Respondent's petition and the reports submitted to the Board, the Board determined that Respondent has satisfactorily fulfilled all of the Conditions contained in the 1994 Order.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions imposed by its 1994 Order.

CONCLUSION OF LAW

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions on his license and to reinstate his pharmacist license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusions of Law, it is this 23<sup>rd</sup> day of April, 1996 by unanimous vote of a quorum of the Board

ORDERED that effective as of the date of this Order, the Conditions imposed on Respondent's practice of pharmacy by the Board's 1994 Order are hereby TERMINATED and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State of Maryland be REINSTATED without any condition or restriction whatsoever.
