**ORDER OF SUSPENSION OF REGISTRATION  
FOR DELINQUENT CHILD SUPPORT**

**BACKGROUND**

On or about April 11, 2018, the Maryland Board of Pharmacy (the “Board”) received a written request from the Harford County Office of the Child Support Enforcement Administration of the Maryland Department of Human Resources (the “Administration”) to suspend the pharmacy technician registration held by Eddie Williams III (the “Respondent”), Registration No. T20121, for delinquent child support. This action was to be taken by authority of Md. Code Ann., Fam. Law § 10-119.3, which provides, in pertinent part:

(e)(2) Except as provided in paragraph (3) of this subsection, upon notification by the Administration under this section, a licensing authority<sup>1</sup> shall:

(i) suspend an individual’s license; or

(ii) deny the license of an individual who is an applicant for a license from the licensing authority.

(h) *Right to contest identity.* – (1) Except as provided in paragraph (2) of this subsection, prior to the suspension or denial of a license under subsection (e) of this section, a licensing authority shall send written notice of the proposed action to the individual whose license is subject to suspension or denial, including notice of an individual’s

<sup>1</sup> The Maryland Board of Pharmacy is a unit within the Maryland Department of Health and Mental Hygiene, Md. Code Ann., Health-Gen. §§ 2-101 & 2-106(a)(17), and is therefore a “licensing authority” within the meaning of Md. Code Ann., Fam. Law § 10-119.3(a)(3)(i) and (ii)(2).

right to contest the identity of the individual whose license or application is to be suspended or denied.

\* \* \*

(i) *Appeal; hearing.* –(1)(i) Except as provided in paragraph (2) of this subsection, an individual may appeal a decision of a licensing authority to suspend or deny the individual’s license in accordance with Title 10, Subtitle 2 of the State Government Article.

(ii) At a hearing under this paragraph, the issue shall be limited to whether the Administration has mistaken the identity of the individual whose license has been suspended or denied.

\* \* \*

(k) *Reinstatement of license—Duty of licensing authority.* – A licensing authority shall immediately reinstate any license suspended, or process an application for any license denied, under this section if:

- (1) notified by the Administration that the license should be reinstated; and
- (2) the individual otherwise qualifies for the license.

On May 7, 2018, the Board sent an unexecuted copy of this Order of Suspension to the Respondent. Accompanying the unexecuted Order of Suspension was a cover letter notifying the Respondent of his right to contest his identity in writing within thirty days of the date of the letter and notifying the Respondent that if he did not submit a signed, written appeal to the Board on or before June 4, 2018, the Board would execute this Order of Suspension as written. The Respondent did not submit a written contest of identity to the Board by June 4, 2018.

#### **FINDINGS OF FACT**

1. The Board issued a registration to practice as a pharmacy technician to the Respondent on September 20, 2017. His registration is currently active and is scheduled to expire on July 31, 2019.

2. On or about April 11, 2018, the Board received a written request from the Administration, entitled “Request to Suspend or Deny License for Delinquent Child Support”

(the “Request”), which requested that the Board suspend the pharmacy technician registration held by the Respondent for delinquent child support under the authority of Md. Code Ann., Fam. Law § 10-119.3. The Request stated that, as of April 1, 2018, the total arrearage amount of child support that the Respondent owed was \$6,532.33, in the Administration’s case numbered 480065305.

3. As noted above, Md. Code Ann., Fam. Law § 10-119.3(e)(2) & (h)(1) requires that the Board suspend the registration of the Respondent upon notification by the Administration and after sending written notice to the Respondent of the proposed suspension of his registration and of his right “to contest the identity of the individual whose license . . . is to be suspended.”

4. On May 7, 2018, the Board sent an unexecuted copy of this Order of Suspension to the Respondent’s last known address registered with the Board. Included with the unexecuted Order of Suspension was a letter notifying the Respondent of his right to contest his identity, in writing to the Board, within thirty days of the date of the letter; that is, to contest that he was not the Eddie Williams III, Registration No. T20121, named by the Administration as the individual whose registration should be suspended for delinquent child support. In addition, the letter also gave Respondent written notice that if he did not submit to the Board a signed, written appeal on or before June 4, 2018, the Board would execute this Order of Suspension as written.<sup>2</sup>

5. The Respondent did not submit a written contest of identity to the Board by June 4, 2018; nor was the Board notified that the Respondent arranged to pay the arrears in full.

6. Having given the Respondent the statutorily required written notice of the Board’s intent to suspend his registration and of his right to contest identity pursuant to Md. Code Ann.,

---

<sup>2</sup> The letter also notified the Respondent that he could prevent the suspension of his registration by contacting the Administration and arranging to pay the arrears in full within 15 days of the date of the letter.

Fam. Law § 10-119.3(h)(1), and having not received a written response or appeal from the Respondent, the Board is statutorily required to suspend the Respondent's registration, pursuant to Md. Code Ann., Fam. Law § 10-119.3(e)(2).

### CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes that, pursuant to Md. Code Ann., Fam. Law § 10-119.3(e)(2)(i), it is statutorily required to suspend the Respondent's registration to practice as a pharmacy technician until the Board receives notification from the Administration that the Respondent's registration should be reinstated pursuant to Md. Code Ann., Fam. Law § 10-119.3(k)(1)-(2), provided that the Respondent is otherwise qualified for a registration.
